Need an account?

Click the "Register Now" link and fill out all registration info. Be sure that teen and parent emails are unique and not currently in use by other teens or parents in the system. Every person must have their own email address.

If you get an error message you might already have an account. Click the "Forgot Password" link to have your password emailed to you.

Step 2: Pay dues. \$75 for one year or \$149 for 4 years!

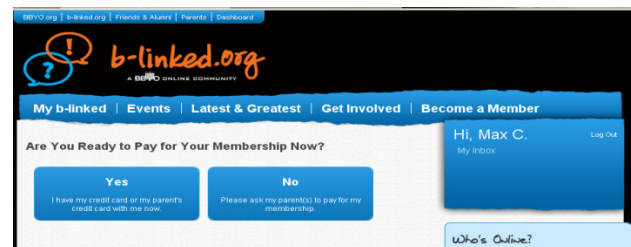

4-year Membership is a better value and allows teen to be a member through all of high school.

• Click the "Become a Member" on the top menu to pay dues.

- If you have no "Become a Member" link, this means you are currently paid. Congrats!
- Or you may be too young to be a paid member of BBYO. BBYO accepts memberships for 9-12th graders. But you can still have a b-linked account (if you are at least 13 years old) and participate in Teen Connection, BBYO's pre-high school program!

• Choose "YES" if you have a credit card to pay now.

• Choose "NO" to have an email sent to your parents with a link for them to login and pay for you at a later date.

Step 3: Explore the new site, build your profile and begin connecting with thousands of Jewish teens from all over the world!

Step 4: Search events near you and around the world.
